21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

More focus on practice teaching

Improve infrastructure
Introduce student mentors
Counseling sessions for students (a visiting counseling Psychologist)

Need practical assesment of LD child. Or else at least Pratically show how to Asses DTLD.

No suggestions

No suggestions

- A. I loved Exploring all types of disability in Mumbai that was the best part. But I would suggest instead of showing educational movie college can take other parts of Maharashtra to explore more so that students can have idea about condition of other city or village.
- B. Teachers accept the answer, if it is wrong they correct it after student completes giving answer which develops the confidence of student to speak, to answer, to think.

Online learning
Teaching strategies
Mentoring

According to me this institute are very good for learning (Hearing Impairment).

- They are encourage students self-reflection
- They give feedback and offer chances to improve
- Good staff

- 1) I had observe teachers gave their 100% to teach me.
- 2) Whatever help require to me they always help me. I had learn lots of things from the college.
- 3) Teachers are eager to teach and help their students always .
