

OVERALL FEEDBACK ANALYSIS OF PT SCHOOLS/EMPLOYERS 2022-2023

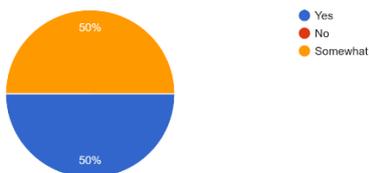

Do you think B Ed programme is adequate for developing special teachers?

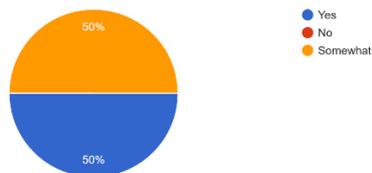

Do you think practical courses of B Ed curriculum are adequate?

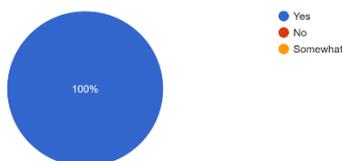

Do you think our alumni / student exhibit the learnt skills in disability specific, other disability specific, inclusive education covered over four semesters?

Curriculum spread over four semesters has enough scope for development in student's skills which will help in event management applying ICT skills in teaching learning, curriculum designing etc.

Considering the performance of our alumni / student currently under you, do you think HACSE was successful in implementing B Ed curriculum?
